MIXXEDFIT®

MIXXEDFIT is a people inspired, dance fitness program that uses boot-camp inspired moves! Get excited because you'll quickly be able to pick up the easy-to-follow, repetitive moves which allows you to strive for your level 10! Engage your muscles and sweat with a smile—you don't want to miss this new, hot format!!

Core2Floor

Core2Floor is focused on abs/core, glutes and legs. It will tone and tighten your abdominals and legs ensuring you fully tax those muscle groups! Walking normal is overrated—just kidding! But you WILL know what you worked! 😊

Total Lift / Barbell

60-minutes of lifting...BOOM! Music beat inspired, muscle challenging and strength building. If you want a class solely focused on the lift, this is it!

Tabata

The ultimate in High Intensity Interval Training – HIIT. Tabata is 20 seconds of work—giving ALL you've got, followed by 10 seconds of rest. This is done in rounds and 8 rounds equals 4minutes of fat-blasting goodness! YES, you CAN handle this because Tabata hurts so good! Bring a can-do attitude and you'll surprise yourself with your results!

Barre Fitness

This hybrid class blends ballet inspired moves with elements of pilates, dance, yoga and strength training. Feel your body get stronger and more flexible as you work with high reps in small ranges of motion!

AMRAP

AMRAP stands for: As. Many. Rounds. As. Possible ... and sometimes that is even more than you thought yourself capable of! Don't miss this awesome format that incorporates total body moves (bodyweight, dumbbells, bands, and more) in sequences to complete as many as you can for an allotted amount of time.

FIT!

BLAST the fat in Fittsentials Interval Training – FIT! This class is designed to keep you engaged throughout the workout with THIS result: a fat-burning inferno a.k.a. your body! Different interval lengths will be implemented!

Li-Hi **NEW!** (Low Impact High Intensity)

Enter the class in which you don't have to worry about jumping or finding alternative moves that keep your heart rate-up, but feet on the floor. Here is Li-Hi (pronounced Lie-High) we find a way to maximize a steady-state cardio workout while being kind to your joints. You'll still need your water and towel so prepare to sweat!

Bootcamp Blast

60-minute combo that combines traditional bootcamp moves with fun and energy that only Fittsentials can deliver! Join us and journey to the past! All equipment provided

EMOM **NEW!**

EMOM - Every Minute On-the-Minute. This challenging format encourages intensity of movement to "earn" longer rest periods. By completing exercises as soon as possible in the minute, the remainder of time is recovery. This awesome interval structure is one you don't want to miss! Sweat towel recommended! :)
